LIMITED INTERNAL CONTROL AND COMPLIANCE REVIEW MANAGEMENT REPORT

Members of the Board of Supervisors
Franklin County, Mississippi

In planning and performing our audit of the financial statements of Franklin County, Mississippi for the year ended September 30, 2004, we considered Franklin County, Mississippi's internal control to determine our auditing procedures for the purpose of expressing our opinions on the financial statements and not to provide assurance on internal control. Our opinions on the financial statements have been previously submitted to you in a separately issued document dated November 9, 2005.

In addition, for areas not considered material to Franklin County, Mississippi's financial reporting, we have performed some additional limited internal control and state legal compliance review procedures as identified in the state legal compliance audit program issued by the Office of the State Auditor. The fieldwork for these review procedures and tests was completed on November 9, 2005. Our procedures and tests were substantially less in scope than an audit, the objective of which is the expression of an opinion on the county's compliance with these requirements. Accordingly, we do not express such an opinion. This report does not affect our report dated November 9, 2005, on the financial statements of Franklin County, Mississippi.

We are glad to report that no findings came to our attention as a result of these review procedures and compliance tests. However, because of the reduced scope, these procedures and tests cannot and do not provide absolute assurance that all state legal requirements have been complied with. Also, our consideration of the internal control would not necessarily disclose all matters within the internal control that might be weaknesses. In accordance with Section 7-7-211, Miss. Code Ann. (1972), the Office of the State Auditor, when deemed necessary, may conduct additional procedures and tests of transactions for this or other fiscal years to ensure compliance with legal requirements.

This report is intended solely for the information and use of management and is not intended to be and should not be used by anyone other than this party. However, this report is a matter of public record and its distribution is not limited.
